**TERMINAL DISCLAIMER UNDER 37 C.F.R. § 1.321(c)**

I, Timothy J. Balts, am an attorney of record of the disclaimant, The Boeing Company, and am authorized to execute this disclaimer on behalf of The Boeing Company. The disclaimant, The Boeing Company, having a principal place of business at 100 N. Riverside Plaza, Chicago, Illinois 60606-1596, is the owner of all right, title, and interest in the above-identified application, by Assignment filed October 2, 2002, and recorded at Reel 013365, Frame 0839.

The disclaimant hereby disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term of United States Patent No. 6,902,699, issued June 7, 2005, entitled METHOD FOR PREPARING CRYOMILLED ALUMINUM ALLOYS AND COMPONENTS EXTRUDED AND FORGED THEREFROM, which patent was assigned to the above-identified disclaimant by an Assignment filed October 2, 2002, and recorded at Reel 013365, Frame 0839.

Disclaimant further agrees that any patent so granted on the above-identified application, which is the subject of this disclaimer, shall be enforceable only for and during such period that

the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,902,699, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors, or assigns.

Nothing herein shall be construed as a disclaimer of any terminal part of any patent granted on the above-identified application which is prior to the expiration of the full statutory term of U.S. Patent No. 6,902,699 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(c), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Respectfully submitted,

Timothy J. Balts
